

# 1000 BOOKS BEFORE THIRD GRADE

Child's Name: \_\_\_\_\_

Color in or check off one square for each book you read together. Don't forget you can count books read at storytime, preschool or daycare, as well as audiobooks and eBooks.

Each time you finish 100 books, update your progress in the Beanstack app or visit the library and a staff member can help. Be sure to collect your brag tag after every 100 books!
